

Tennis Program at the Elmira Country Club

Hello everyone.

Let me introduce myself, I am Don Sherman and I will be the new tennis instructor at the ECC. I graduated from Southside High school in 2004. While attending high school I played three sports (soccer, basketball, and tennis). In tennis I was a captain three years and received honors such as being named to the All STAC-WEST all star team twice, MVP of the tennis team three of the four years, and receiving the Josh Palmer Sportsmanship Award.

I recently graduated from St. John Fisher College with a Bachelor of Science in Business Management. During my college career I played tennis all four years playing primarily #1 doubles and #1/#3 singles. I was named captain of my tennis team my junior year and my senior year. During my stay at St. John Fisher I was named to the Empire8 All Conference Team for doubles and singles each and every year as well as receiving the Sportsman of the Year for my school during my senior season.

My main goal is to help anyone with their tennis issues, whether it is mechanically, strategy, or just finding a hitting partner. Although I have not obtained my pro certification, I have been teaching tennis for about 6 years now.

If you have any questions, comments, or concerns please feel free to stop by my office or call me. Finally, I hope I can be of assistance to you as you engage yourself into the game of tennis. I look forward to meeting you all, and remember to have fun while playing!

Don
